

The Houston Mopar Connection Club's 2015 Christmas Party

2015 HMCC Christmas Party Photos

Story And Photos By Ken Ward & Tim Sladek

This year's Club Christmas Party was held on December 6th at Hickory Hollow BBQ in the Heights. The party was well attended and there were 37 gifts in the Annual Chinese Gift Exchange. Hickory Hollow cooked up BBQ beef, chicken, and sausage along with all the sides and fixings. Club members provided a wide variety of desserts to add to our waistlines. It was great to see Tuffy and Margaret Weaver in attendance as Tuffy was able to take time from his cancer treatments to attend. And Tracie Sumrall and her parents were also present. When it came time for Tracie to pick a gift in the Chinese Gift Exchange, she walked to the front of the room assisted by her father (Yeah Tracie!!!).
