Thank you for your support!
AJ

Dear Mopar Connection Club - Houston:

Thank you for your recent gift of \$1,000.00 to support the McPherson College Automotive Restoration Department. The program relies on the support from persons such as you to help provide students with scholarships, equipment and experiences that will aid them on their path to becoming the next generation of artisans.

A few pieces of news to share about the program:

- We are operating at capacity with a full roster of students
- In late November MC was named *Industry Supporter of the Year* by the International Historic Motoring Awards presented by Octane magazine.
- Our latest placement report shows that more than 95% of our 2015 graduates were employed within 6 months of graduation.

We are proud of the way our liberal arts degree supports craftsmanship, critical-thinking and an entrepreneurial spirit, making our students competitive in the marketplace. This quality education contributes to well-rounded graduates who serve the restoration industry in many capacities - as restoration technicians, historians, or in a variety of roles within the car community.

Your participation as a McPherson College donor helps ensure that our program continues to grow in quality and impact. Please contact me if you have any questions regarding academics, scholarships, internships or donations.

Sincerely,

Amanda Gutierrez
Vice President for Automotive Restoration

The Houston Mopar Connection Club holds an annual car show in October that raises funds for this charity. The October 2015 show was rained out and the special ["Easterween" event was held on March 6, 2016](#). A portion of the money raised at this show was donated to McPherson College Automotive Restoration.
