“Some Bunny Loves Me” Program

The Harris County Sheriff’s Office Reserves have participated in the “Some Bunny Loves Me” program for over 20 years – this is a nationwide program carried out by Sheriff’s Departments all over our country. Uniformed Deputies & “Bunnies” deliver stuffed Easter Bunnies, coloring books and most importantly moments of joy to children in area hospitals. Some of these children are fighting for their lives.

At Christmas time the same thing is done again only this time with Uniformed Deputies and Santa giving out Teddy Bears.

The largest expense is the Bunnies & Bears and the costumes when they have to be replaced. The Bunnies & Teddy Bears have to be hypoallergenic with no buttons, removable ribbons, etc.

The money that the Houston Mopar Connection Club (H.M.C.C.) donates to the Harris County Sheriff’s Office every year goes to defray the costs involved with the program. The H.M.C.C. holds an annual car show in October that raises funds for this charity.

"This is a very moving event; it makes you so very thankful that you can bring a smile to the face of a youngster and family members during a very trying time in their lives," said H.M.C.C. Member Pam Wiman.
