The Shriner's mission is to "provide the highest quality care to children with neuromusculoskeletal conditions, burn injuries and other special healthcare needs within a compassionate, family-centered and collaborative care environment."

AniMeals allows homebound seniors on the Interfaith Ministries Meals on Wheels for Greater Houston program to not feel compelled to share their limited food and resources with their four-legged friends.

The Houston Mopar Connection Club holds an annual car show in October that raises funds for this charity. The October 2015 show was rained out and the special "Easterween" event was held on March 6, 2016. A portion of the money raised at this show was donated to The Star of Hope.
