**330**

This year people are going to be...  
 Dodge 330 for a top-of-the-line model.  
 Yet this full-size Dodge is priced with...  
 many a compact car. There's no reason at all...  
 to settle for less than big car comfort, big car ride...  
 and big car room. Dodge 330 is a very smart car.  
 Styling is stunning. Interiors are striking. The only...  
 thing this car stands on is its price tag.  
 You get the exact same comfort, ride, room and...  
 reliability as the slightly higher priced Dodge...  
 models. You also get great features such as new...  
 extra strong extra safe door catches; extra heat...  
 air outlets for snug winter comfort; a gas tank...  
 that simply can't overflow in hot weather; and a...  
 complete oil filter that never needs servicing or...  
 replacing, on the optional automatic transmission.  
 It's the attention that Dodge pays to these details...  
 that adds up to the best car money can buy for...  
 1964. Dodge. The dependable one.

Every major power-train component is covered by the Dodge 5 year—50,000 mile warranty.
