

The National Museum of Funeral History Vendor Application

You are invited to participate in the 18th Annual Halloween Car Show. We normally have over 150 show cars and well over 500 participants/spectators come to the show.

This open car show has really grown over the years, and we continue to expand the vendor selections and give the public more variety of products.

Please contact me if you, or your company, are interested in being a part of the 2026 show!
